

## HERO SHELF

*ideal for promoting product that is on promotion at the point of purchase*

*...extend your product past the shelf edge and get noticed!*

*create a brand block to increase sales*

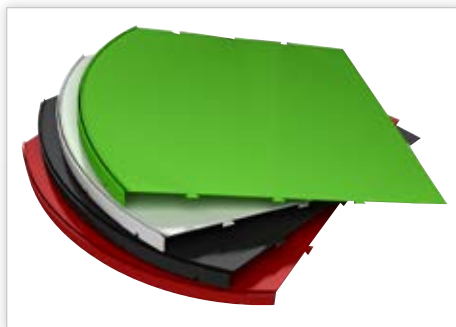

- use one hero shelf as a centre focal point for your display or...
- clip several hero shelves together
- shelf edge label holder and branded/promotional strip insert are easy optional extras - enquire with Kyta
- clear product riser to prevent smaller products or glass bottles from falling off
